Dedication

The annual staff would like to dedicate the 1977 Scarlet & Gray to Mrs. Patricia Smith. Through years of teaching, you have helped many students achieve their personal goals. We would like to thank you for your sincere dedication to the senior class as their class adviser for the past two years. Without your efforts many of their activities and projects would not have been possible.

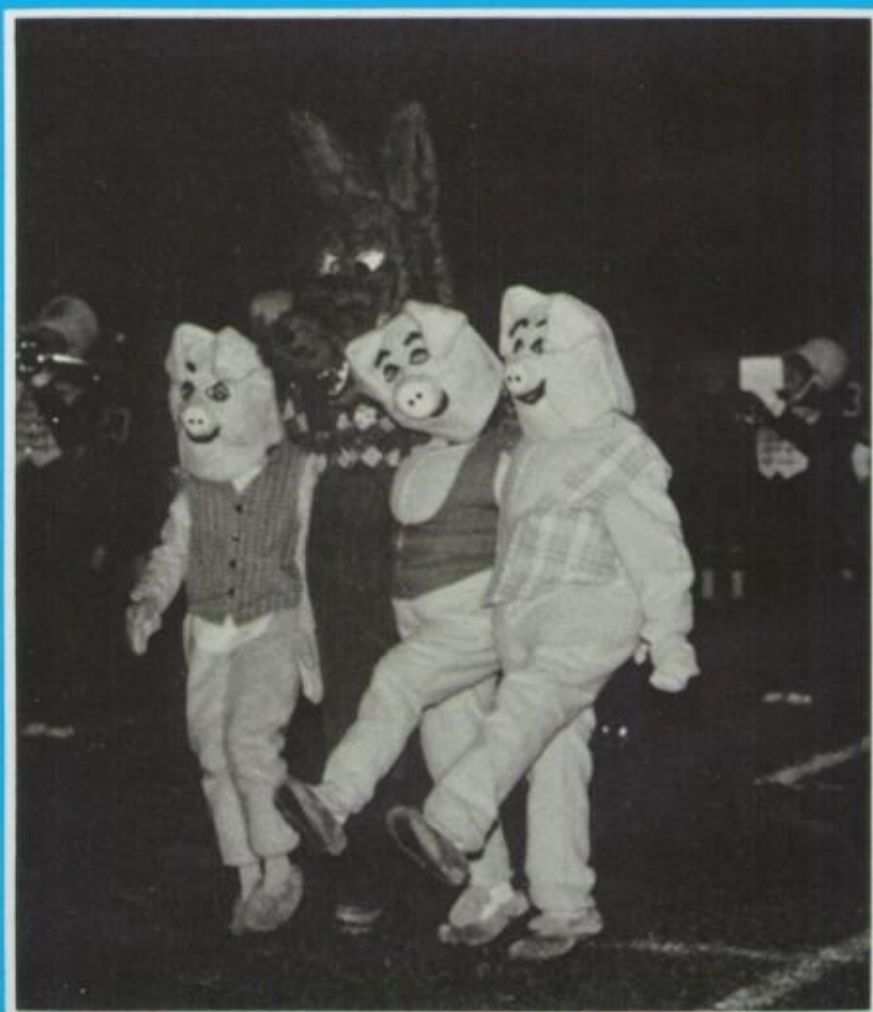

IN MEMORIAM

The annual staff of Hopewell-Loudon would like to dedicate this page in memory of Mrs. Pauline Bennett. She served for many years as librarian, teacher, and friend. She will always be cherished and remembered.

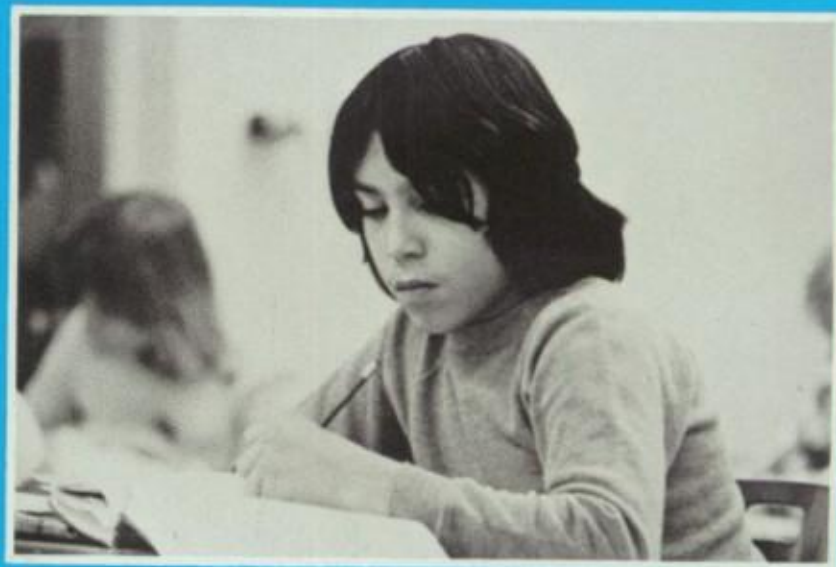

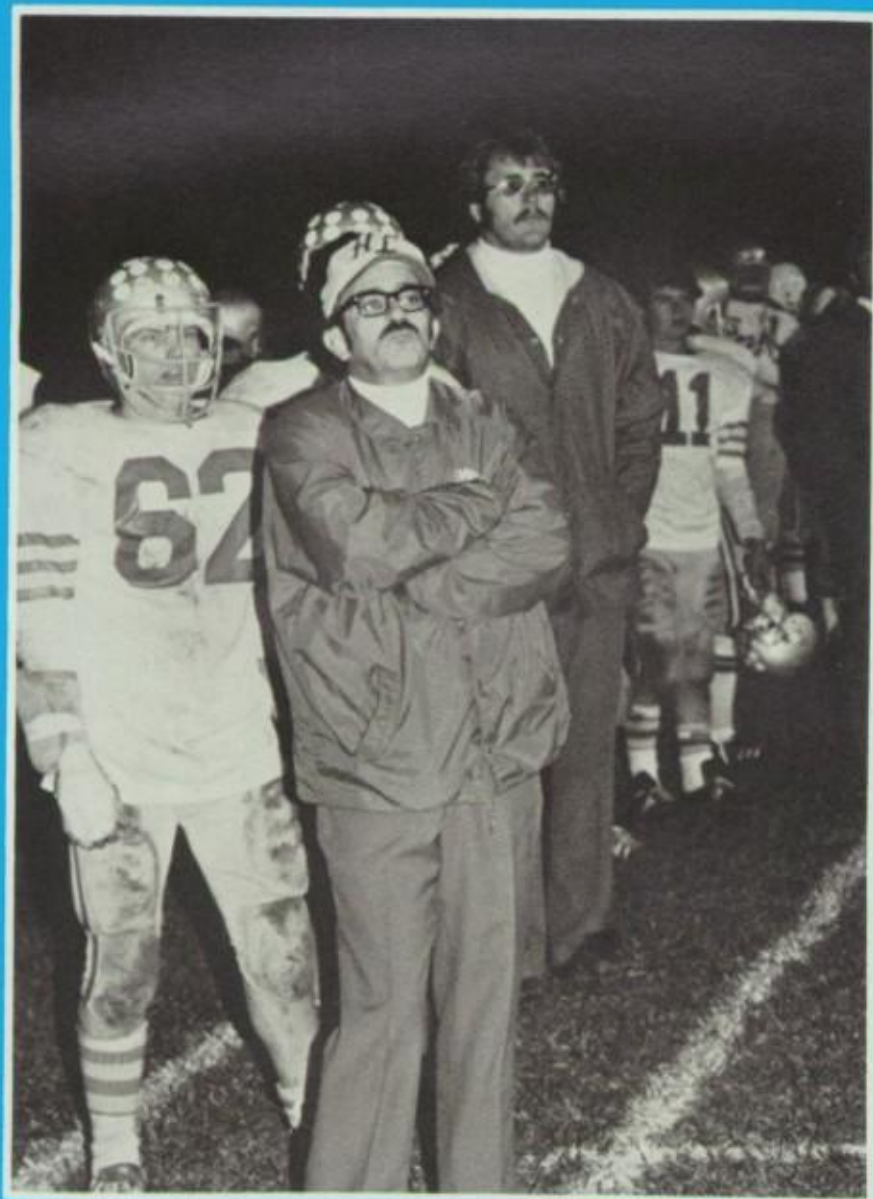

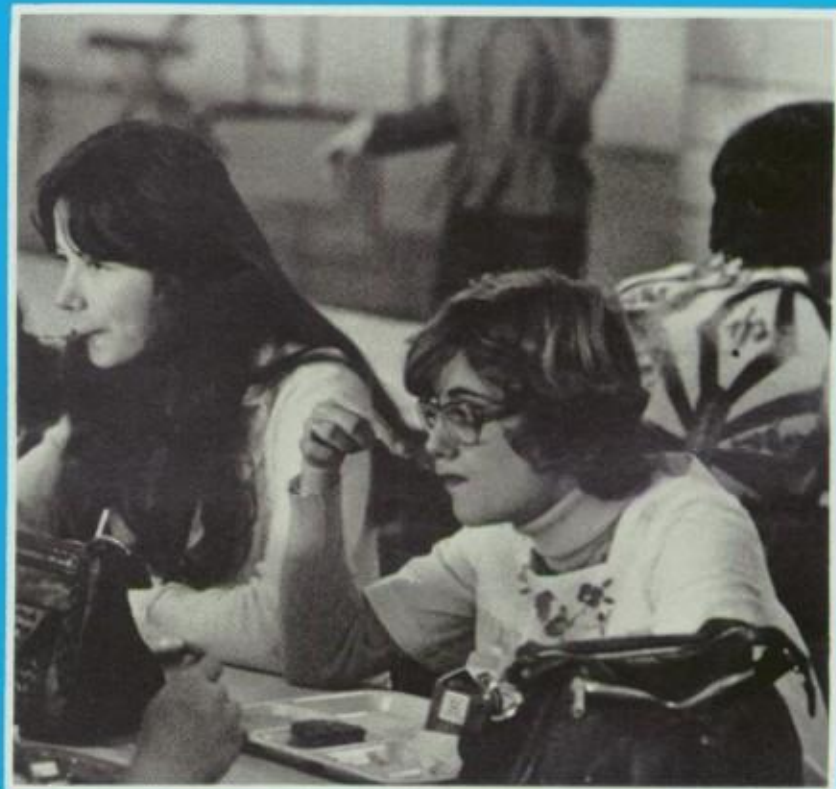

Steve Brickner gains speed, as Larry Yoder and Bob Fruth look for an opening in the line.

A Time To Be Born . . .

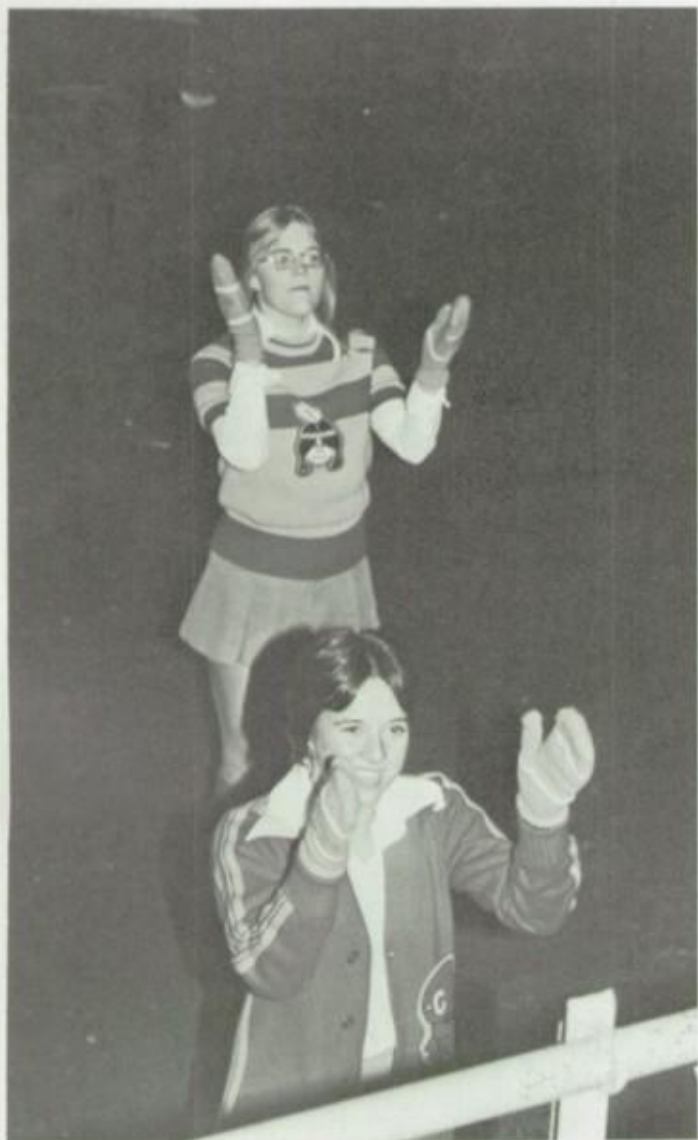

A time when we begin to learn new things . . .
That time when we gain new courage to venture
farther than we have ever gone before . . .

A Time To Die . . .

Now is the time when we must put our knowledge
into action . . . A time for cherishing our mem-
ories, but advancing on to make new ones . . .
A time when part of us may be dying, while an-
other is just being born . . .

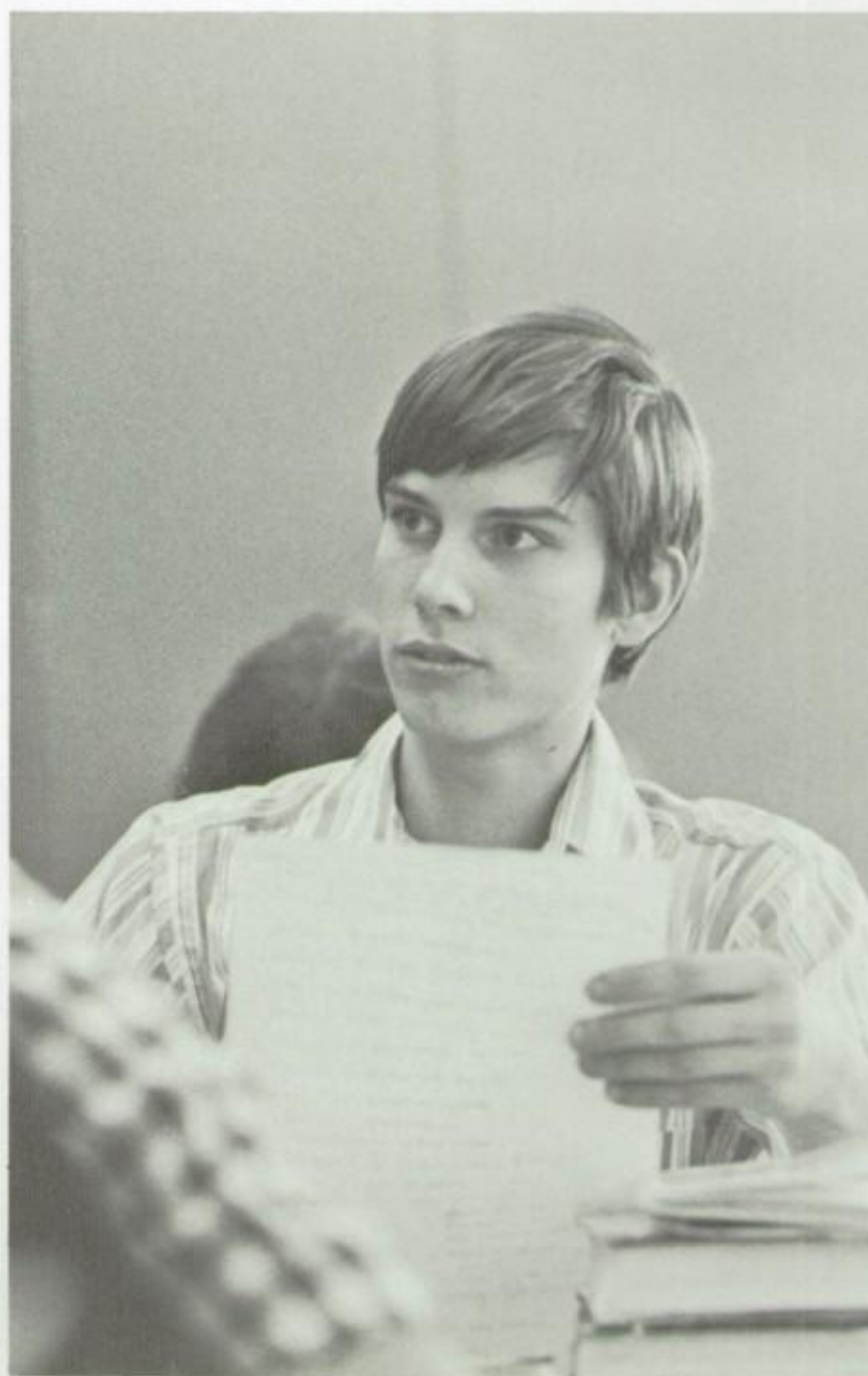

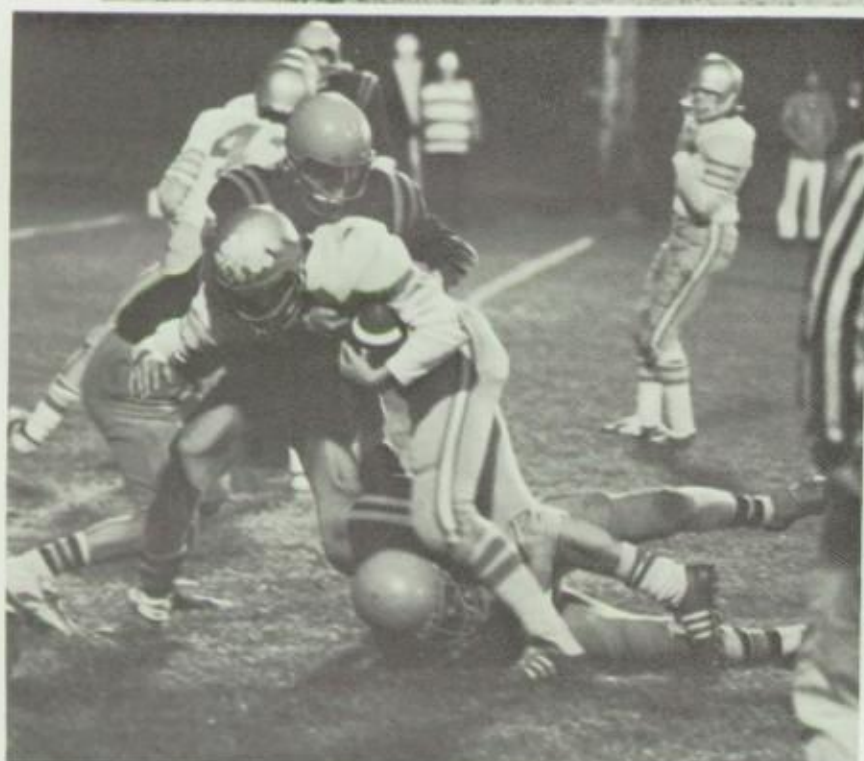

A Time To Plant . . .

A time to learn . . . A time for knowledge . . .
Plant it like a seed is sown. Nourish it and soon it
will blossom.

A Time To Reap . . .

A time to reap . . . Then shall you reap your har-
vest of knowledge . . . A time to use what you have
learned.

A Time To Gain . . .

That glorious time when you reach out and obtain your goals . . . A time for dreaming and making those dreams become reality.

A Time To Laugh . . .

A Time To Weep

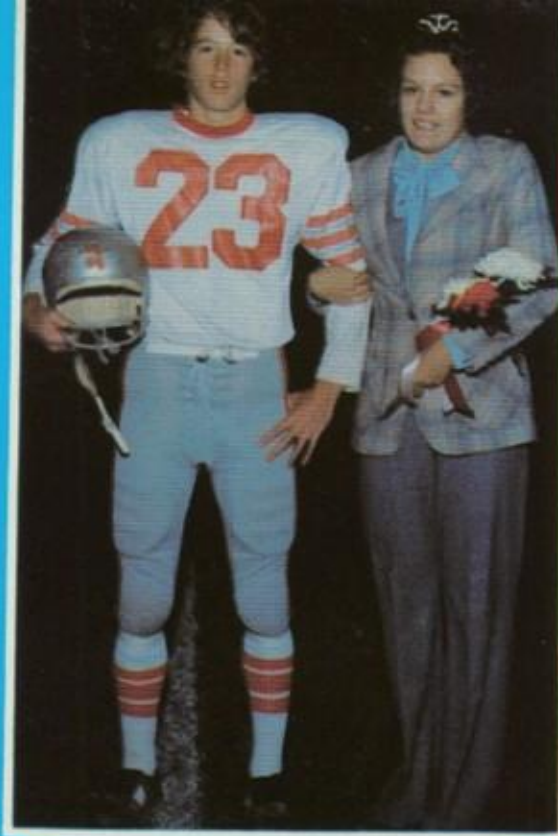

A time to laugh . . . A time to weep . . . The moment when hopes and dreams are fulfilled . . . When victory tastes sweet and the evening seems too short . . . A time never to be forgotten.

A Time For Peace . . .

A time of inner tranquility . . . When all is still . . .
The time when you may reflect on your past experiences . . . That very special time of peace.

H-L Cross Country Wins 2nd MOC Championship

This year's Cross Country team captured a well-earned Mid-Ohio Conference championship for the second year in a row.

The team, for the past two years, has won an impressive 33 meets, including the two M.O.C. Championships, and this year's Old Fort Invitational. They have lost ONLY 13 meets. Key members responsible for compiling this record were: Doug Coppus, Eric Uhlenhake, Phil Bloom, Tom Krais, Dave Schreiner, John Poignon, Phil Gaietto, and Dan Overton.

Doug Coppus is currently the most valuable player and holds the course record with a 9:51 two-mile time. Doug was also selected as a High School All-American. Eric Uhlenhake is another runner who has shown great determination and effort, which is evident in his Cross Country record. Eric was chosen as an All-American also. John Poignon is a four-year letterman in Cross Country. Phil Bloom, although injured much of this year, will present a challenge to Doug in future meets. Through his efforts, Tom Krais has been selected as All-league runner two years in a row.

Coach Piccuito comments, "Cross Country excellence has been established at Hopewell-Loudon because of a fine group of dedicated young men who were willing to pay the price to become champions . . . Each young man develops a unique spirit of pride and comradeship."

It is evident that this year's Cross Country team has developed into the champions they are today because of their continued determination to be, and remain, number one."

The time, effort, and talent has again payed off for the band and choirs. In state contest the high school concert band received straight I's for the third year in a row. The mixed choir, which is in its first year of existence, received a II, but the girls choir received the only I in choirs for District II. Hopewell-Loudon has the right to be very proud of these organizations.

The Scarlet & Gray may have changed from previous years but don't be alarmed, we only wanted to make a bigger and better book for H-L. Instead of receiving the yearbook in the spring, the staff decided a fall book would be nicer. With the book coming out in the fall, the staff could get more pictures of things which have been neglected and could also devote more time to each section. We hope everyone is pleased with their book and thank you.

The 1977 Staff of the Scarlet & Gray

The staff of Scarlet & Gray wishes to acknowledge Melody Trails, Inc. from whom we obtained permission to use selected words from the song, "Turn! Turn! Turn! (To Everything There Is A Season)."

Senior Class Play "Jenny Kissed Me"

By: Jean Kerr

Father, you don't understand!

I know you just LOVE pineapple rice, Father!

Mary and Jean cautiously survey the circumstances.

A tender moment.

So you see girls, about Saturday night . . .

Sister Cindy protects bashful Patty from Father George.

Relieving tension backstage.
